NAPLAN- Congratulations to all the year 3, 5 and 7 students for confidently completing this NAPLAN. We were very proud of all the students trying their hardest and being so prepared. The results of these examinations will be given to the school in October.

**STUDENT DRESS CODE**

The following is going to be discussed at the next P & C Meeting on 3rd June, if you have any queries regarding this matter please come to the meeting:

Waraburra State School is a strict uniform school. We have the support of our P & C and the school’s Uniform committee to promote 100% adherence to the uniform. Our dress standards for our students reflect our community standards. In circumstances where inappropriate or unreasonable dress is worn, appropriate action will be taken.

At Waraburra we will actively encourage our students to take pride in themselves and their school and their community. One way in which this may be achieved is through adherence to the school’s dress standards. As the parent/carer and provider of your child, we seek your support in this matter.

The Waraburra State School P & C supports a student dress code policy because it believes that a school student dress code policy:

- Promotes a safe environment for learning by enabling ready identification of students and non-students of the school.
- Promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school.
- Promotes a supportive environment at the school by fostering a sense of belonging.
- Fosters mutual respect among individuals at the school by minimising visible evidence of economic class or social difference.

This policy reflects the principals of:

- Access and participation
- Respect for others
- Continuity and fair trade practice regarding uniforms
- Responsiveness and sensitivity
- School community awareness
- Upholding a community expectations
- Student/school pride.
