It is so great to see our students so focussed on their learning. Every classroom I visit I see students trying as hard as they possibly can. I have been very impressed to see our students reading results. Huge gains in improvement were recorded. This improvement only comes through hard work from the students and their teachers/support staff.

Last week we implemented the following 2 rules. Hands and Feet to self..... No put downs- These 2 rules have come from our "values hand" These 2 rules are very simple and are being constantly reviewed with the students. If students choose to break these rules they are then immediately taken out of the playground. The students are responding extremely well to this process. Our school is very proud of our students and are working very hard to ensure that each and every student can learn in a safe and encouraging environment.

Year 6 Camp- Last week our year 6 students travelled to Bundaberg for their camp. By all reports the students had an amazing time and were all a credit to our school. Special thank-you to all our staff who ensured the students had a wonderful time.

New bell system- Hopefully by the end of this week our school will have a new bell system installed to ensure all classrooms can hear the bells. The new system will allow an intercom system throughout each classroom and in the playground.

Remembrance day- This Tuesday our school leaders will be attending the Gracemere Remembrance day service. Mrs Kahl will be escorting the students.

Classes 2015- We are starting the process of developing classes for 2015. If your family is moving away from our school could you please inform the office. We hope to have the class lists out to families in the last week of school.

Warra Bear has enrolled at Waraburra SS!

Welcome to Warra Bear. Students are recognised for positive playground behaviours with ‘tokens’. Every week these are tallied and the class with the highest number is given the title of “Class of the Week”. Warra Bear attends their class room for the week, has a photo taken with the class and then displayed in the office, and the students are able to use remote control toys in the hall at lunch.

Congratulations to our ‘classes of the week’ so far: 4B, 6/7C and this week 1B! …Congratulations to our whole school with students receiving 15 000 tokens over the last three weeks. Keep up the fantastic work! 😊
had 5...7...9...12 years of learning and experience in the world- an ever changing world, very different to the world of yesterday!

This week will be revisiting our playground and end of play time expectations. Playing fair, playing by the rules, sharing and being a good sport. As well as what to do when the bell rings. Miss Heath’s Class will be presenting on Parade.

Next week we will revisit how to walk on Pathways, showing respect for students, staff and visitors to our school. Ms Vaughn’s class will be presenting on Parade.

Have a wonderful Warra Week! Di 😊

Crackin’ Curriculum Catch Up

Well, what do you know we are at week 6 already and we are not slowing down!! Teaching staff are currently participating in professional development to explore and build their understanding of our new whole school Mathematics Program. Feedback regarding this program has been positive once again with teachers commenting on how well all the pieces are fitting together.

I apologise to the Crackin’ Curriculum Challenge fans out there that missed out on the challenge last newsletter but it is back this week and hopefully trickier than ever.

ATTENTION STUDENTS - Don’t forget to check out the Crackin’ Curriculum Challenge at the end of the newsletter. It is TERRIFIC to see more and more students taking up the challenge. If more than one WSS student in your family wants to enter, write it on a separate piece of paper of similar size. Answers are due next Wednesday morning, 19 November, in the office by 8:45am. No late entries accepted. Post your answers in the appropriate entry box. Winners will be drawn at random but it must have your name and class completed and the correct answer of course! Good luck!!!

Miss Tracey Vine
Head of Curriculum

P & C NEWS

The P & C meeting on the 2nd December has been moved to 4:30pm, in the staff room.

Movie Night
There will be two movies on the night starting from 5:30pm. Cost is $5.00 entry, this includes popcorn and popper. Movies screening will be advised.

STUDENT ABSENCE LINE

Please note the number for Student Absences is 4931 7860, you can leave a message at any time.
**Crackin' Curriculum Challenge**
